

Park Committee Meeting 12-10-14

Meeting called to order 7:03pm. Present: Dean Wallen, John Sambo, Bob Trentman, Jaynie Wells, Tom Roewe

Bob moved to accept minutes from previous meeting. John second. Motion passed.

Loop Creek Park –

- Still waiting for bathroom design from engineer. Dean mentioned we might want to see what if any problems have been reported to the police and how many.
- Dean suggested we might want to meet with the neighborhood to see what improvements they would like to see. Possibly mail a flyer to invite to a meeting for input
- The committee discussed cameras. We need to make sure we are not invading privacy of residents who surround the park

Centennial Park –

- Dean got a call from a resident who said during the rain the parking lot floods. Water collects over about 6 feet of the parking lot. Dean thinks we might be able to fix it by trenching, or redoing the parking lot sloap.
- Heartlands Conservancy suggested a controlled burn and Jaynie wants another volunteer day. Possibly in the spring.
- Still working on the walking trail and pip issue.
- Bob reminded the committee the lake needs work.

Committee agreed to the 2015 Park meetings on the second Wednesday each month at the Township office, 7pm.

Meeting adjourned 7:34pm
