

Park Committee Meeting 9-9-2015

Meeting called to order 7:00pm. Present: Dean Wallen, Jaynie Wells, Bob Trentman

Excused: John Sambo, Tom Roewe

Guest: Bob Buechler

Bob moved to accept minutes from previous meeting. Dean second. Motion passed.

Loop Creek Park –

- Devin Gilker is cutting the grass
- No progress on bathrooms, or any other of our recommendations

Centennial Park –

- 2nd bridge Steve Galley put 4 inch drain pipe and was too muddy to finish. We need rock to cover it before winter, as there are ankle deep ruts on the path where this improvement was made
- Wooden bridges are unsafe. We recommend replacing them with culverts.
- Bathrooms need floors painted, and outside painted and spruced up.
- Picnic table roofs need shingled
- Parking lot needs completed
- Blacktop portion of the path needs repaired
- Maybe prisoners to help with cleanup?
- Volunteer day in spring still being discussed
- John Kernan (Road Commissioner) had his crew use the bush hog again to keep the area clear where the volunteers cleaned up, as the stumps are too tall to mow

Good of the committee –

- Need volunteers
- SIPRA – Jaynie is going to join
- Bob joined IFA (Illinois forest association)

Motion to adjourn Dean, second Bob

- Meeting adjourned 8:07p

Next meeting 10-7-2015 7pm
