Communications

- None

Loop Creek

- St. Clair County grant has been granted. It will be used for new playground equipment. Dave Barnes wondered if we should do complete replacement or partial, will be discussed at next board meeting. Also, said the mulch needs to be addressed. Diane suggested rubber mulch as an alternative

Centennial Park

- Next volunteer day 10-22 9am to noon.
 - Girl Scouts, Rotary, and boy scouts have been contacted to participate
- Dave Chevess suggested we begin discussing playground equipment at Centennial Park as part of our improvement plan

Good of the committee –

- Monarch Stations –
 - Jaynie has contacted the St. Louis zoo about a seminar about the importance of the monarch stations. Will contact the schools to see what interest they have in participating
- Brian Dulski is a resident of Swansea and is interested in improving the trails and parks. He wants to speed up the 20 year plan that Swansea has. Jaynie advised him he needs to attend the Swansea board meeting.

Motion to adjourn Diane, second Jaynie

- Meeting adjourned 8:17pm
