

2017-2018 Planned Projects

Repair Whiteside, Wolf Branch, and Loop Creek tennis court cracks: (03-00-517)

Benches at Loop Creek Park (03-00-521)

Repair trails at Centennial Park. (03-00-517)

Remove bridge and replace with culvert "safety and longevity" (03-00-517) \$5000
Centennial Park

Replace playground equipment in Loop Creek Park, (03-00-811) ordered new playground equipment 11/2016 with west side playground to be removed 12/2016 and replaced. **All equipment removed/new equipment in garage to be installed spring 2017**

Walking / Bike Trail in Loop Creek Park

Pavillion with Picnic Tables and Bar-b-que grill

Loop Creek Park Improvments. ??? (03-00-811) **See Above**

Replace Northland sewer lines due to subsidence: possible grant \$90,000 plus engineering cost. (08-00-851)

Raise UV Panels and Ballasts (08-00-511) \$20,000 prevents further damage to control panels and ballast from flooding of Loop Creek.

Replace windows at sewer plant. (08-00-511)

Maintenance on sewer plant: 08-00-511)

Phase 2 Plant #3 \$333,000

- a. Replacement of existing blowers with turbo blowers
- b. Electrical Grant app fees

Upgrade Countryview Lift Station Electrical Panel. (08-00-512)

Sewer manhole and sewer line rehab, \$250,000 (08-00-851)

Lining of manholes approximately \$7500 each

a. 75182-75150-75156-76652

Sewer lining of problem lines; approx..\$600 per ft. includes engineering costs.

- A. Aaron Drive
- B. Winthrop Drive
- C. Las Olas Dr.
- D. East B. Street

4 inch trash / water pump (08-00-830) \$4500

Purchase a mini excavator. (08-00-830) \$40,000 (with our municipal discount it's cheaper to buy new than used)

Purchase a smoke blower to detect infiltration into our sewer lines. (08-00-830) \$2,500)

Smoke and televise various lines for needed repairs.

Purchase anti-bacterial cleaning system to be used on hoses on vector truck in conjunction with cleaning sewers. Safety for Sewer workers. (08-00-830) \$9,000

MISC. LINES NEEDING TO BE LINED:

- a. Blanc-Lee from manhole 72038 to 72033 (08-00-851) Approx. 400 ft.
- b. Williamsburg from manhole 76211 to 76212 (08-00-851) Approx. 400 ft.
- c. NW of Lake ave. from manhole 74440 to 74459 to 74460. (08-00-851) Approx. 500 ft.
- d. Line Rockwood Ct. sewer line and manhole (08-00-851)
- e. Adeline has 2 manholes needing lined due to heavy roots. (08-00-851)
- f. S. Indiana line manhole behind house. Heavy Roots. (08-00-851)

- g. Ill. 159 by Weatherstone by house needs lining of manhole and sewer line, moderate roots. (08-00-851)

MANHOLES TO BE RAISED BY TOWNSHIP PERSONNEL:

- a. Remove metal riser ring on manhole 75156
- b. Hollyhock Ln.
- c. Raise manhole S. of Flora Ct. 71579-71578
- d. Raise manholes on Janet, Kenn, and Dennis
